MONTPIRG FORUM TO BE HELD  
AT UNIVERSITY MONDAY

MISSOULA --

A public forum on the Montana Public Interest Research Group (MontPIRG) will be held Monday (Feb.28) at 7:30 p.m. in the University of Montana Center, room 361 A-B-C.

The forum, which is sponsored by the Spurs, UM sophomore women's service honorary, and Bear Paws, UM sophomore men's service honorary, is the second in a series of discussions on current and relevant issues.

Monday's program will focus on the goals of MontPIRG and its means of support.

Students will vote during UM spring quarter registration March 27 on whether or not to okay a \$1-per-quarter student assessment as the sole financial support for MontPIRG.

Video tape recordings, short talks and a question-answer session about the proposed assessment and other areas of student involvement will be featured during Monday's program.

James P. Betty, a UM graduate student and one of the MontPIRG organizers, said MontPIRG is designed for involvement in such areas as health care delivery, elimination of sexual and racial discrimination, improvement of landlord-tenant relations, obtaining low income housing for the poor and protection of the environment.
